Plan Benefit Structure	
<u>In-Network Providers</u>	“In-network” dental providers have contracts with Blue Cross Blue Shield of Arizona (BCBSAZ) or with BCBSAZ’s independent dental network vendor. In-network providers accept negotiated fees as payment in full for covered dental services, and file a member’s claims with BCBSAZ. Members usually have lower out-of-pocket costs with in-network providers.
<u>Out-of-Network Providers</u>	“Out-of-network” providers have no contract with BCBSAZ or with BCBSAZ’s independent dental network vendor. Out-of-network providers set their own rates, can collect up to full billed charges from members, and have no obligation to file members’ claims.
<u>Optional Pre-determination</u>	If your dentist has recommended services and you are concerned about coverage or costs, your dentist can ask BCBSAZ for a pre-treatment estimate, called a “pre-determination.” BCBSAZ will review your dentist’s proposed treatment and send your dentist information explaining what services will be covered and your estimated out-of-pocket costs for these services. A pre-determination can help you better understand what will be covered and the amount you will need to pay.
<u>Prevention Plus</u>	All diabetic and expecting mothers are eligible for coverage of one additional dental cleaning procedure or one additional periodontal maintenance procedure. For members who have enrolled in the program, extended preventive benefits will remain available for the duration of these conditions.

However, application for coverage must be submitted within 31 days from date of eligibility, along with proof that the adoption is pending. If a newborn infant is placed for adoption with Subscriber within 31 days of birth, such child shall be considered a newborn child of the Subscriber to the same extent as if that child had been a newborn natural child of the Subscriber. An unmarried child who is 26 years, but less than 27, whose time is principally devoted to attending school, and who is dependent upon his parents for primary support, is eligible to be covered as a Dependent. If a Dependent child is enrolled as a full-time student and is unable due to medical condition to continue as a full-time student, coverage for such child shall continue in force for a period of 12 months from the date the child ceases to be a full-time student, or until such child attains age 26, whichever first occurs. The child's treating physician must certify at the time the child withdraws as a fulltime student that the child's absence is medically necessary. Upon the attainment of limiting age, coverage as a Dependent shall be extended if the child is and continues to be both (1) incapable of self-sustaining employment by reason of mental or physical incapacity and (2) chiefly dependent upon the Subscriber for support and maintenance, provided proof of such incapacity and dependency is furnished to Plan by Subscriber within 31 days of the child's attainment of limiting age and subsequently as may be required by the Plan, but not more than annually after the two-year period following the child's attainment of limiting age.
- H. Domestic Partner** shall mean a person who is at least 18 years old, is not related to Subscriber by blood or marriage within four degrees of consanguinity under civil law rule, is not married or in a civil union or domestic partnership with another individual, has been financially interdependent with Subscriber for at least 6 consecutive months prior to enrollment in Plan in which each individual contributes to some extent to the other individual's maintenance and support with the intention of remaining in the relationship indefinitely, and shares a primary residence with Subscriber. - C.** All Subscribers and enrolled Dependents become eligible for services on the effective date indicated in the letter accompanying their Membership Identification Card.

PART III. TERMINATION OR CANCELLATION

Benefits shall cease upon the earliest of the following events:

- A.** On the date of expiration of the period for which the last payment of Premium was made to Plan. If payment is not made in full by the Group on or prior to the date due, as specified in Part IV-A, a grace period of 31 days from the last date of coverage shall be granted to the Group after the first payment. If payment is not received within the 31 days, coverage may be cancelled after the 31st day and the Group may be held liable for the payment of the Premium for the period of time coverage remained in effect during the grace period. The Contract shall remain in full force and effect during the grace period.
- B.** Upon the date of Dependents attaining the age of 26 years or marriage prior to that date (Subject to Part I-G).
- C.** Upon violation of the terms of this Contract, fraud or deception in the use of services, or termination of the Group Contract under which the Member is covered. Coverage will be canceled after the 31st day after written notice is mailed to the Subscriber.

Group coverage will renew for one (1) year periods in the absence of written termination notification by Group at least thirty (30) days in advance of expiration of the term of the Contract.

PART IV. PREMIUMS

- A.** All Premiums are payable on or before the 17th day of the month preceding the month in which services may be rendered.
- B.** Premiums must be received in the administrative office of the Plan no later than the 17th day of the month before eligibility is desired. If Electronic Funds Transfers is not utilized, payments should be mailed to: Blue Cross Blue Shield of Arizona, Inc P.O. Box 52563 Phoenix, AZ 85072-2563.

PART V. BENEFITS AND COVERAGES

- **ELIGIBLE EXPENSES:** Plan will pay for Eligible Expenses incurred for Subscribers or on behalf of their covered Dependents. Expenses must be incurred while the policy is in force. The description of Eligible Expenses is shown in the Coverage Schedule. All Benefits will be paid to the Subscriber unless otherwise designated by the claimant. Benefits will be paid after the Member complies with any Waiting Periods, Deductibles and Annual Maximums as specified in the Coverage Schedule. All Benefits are subject to Plan Exclusions as set forth in the Coverage Schedule. Benefit amounts will vary depending on whether the Member obtains services from a Participating Dentist or a non-participating dentist. To be considered an Eligible Expense, the service must be performed by a dentist, a physician, or a dental hygienist, and be deemed by the treating dentist to be necessary for the patient's dental health.

- **EXPENSES INCURRED:** An Eligible Expense is considered incurred on the following dates:
 - a) Dentures - on the date the final impression is taken.
 - b) Fixed bridges, crowns, inlays and onlays - on the date the teeth are initially prepared.
 - c) Root canal therapy - on the date the pulp chamber is opened.
 - d) Periodontal surgery - on the date surgery is performed.
 - e) All other services - on the date the service is performed.
- **IN-NETWORK BENEFITS:** Plan will pay a percentage of the Participating Dentist's charge for each Covered Service up to the Participating Dentist's negotiated fee. The percentage of payment by Plan is determined by procedure classification as set forth in the Coverage Schedule. For example, if a procedure is covered at 80%, the Plan will pay 80% and the Member will pay the remaining balance of 20%, up to the Participating Dentist's negotiated fee. The Member may be required to remit payment for the remaining balance at the time of service. Billing arrangements are between the Member and the Participating Dentist. Participating Dentists are listed in the Dentist Directory. Members should confirm continued participation of a Participating Dentist prior to receiving treatment.
- **OUT-OF-NETWORK BENEFITS:** A Member may choose to receive treatment from a non-participating dentist. Benefit percentages for out of-network Benefits, if applicable, are listed in the Coverage Schedule according to procedure classification. Benefits are calculated using a Maximum Allowable Charge. Members are responsible for any amount charged which exceeds the Maximum Allowable Charge per procedure. Billing arrangements are between the Member and the non-participating dentist. If a Member receives treatment from a nonparticipating dentist, the Member may be required to make payment in full at the time of service. The Member may then submit a claim to the Plan for Benefit payment.
- **PRE-DETERMINATION OF BENEFITS:** If the charge for treatment is expected to exceed \$300, the Plan strongly advises the treating dentist to submit a treatment plan prior to initiating services. The Plan may request x-rays, periodontal charting or other dental records, prior to issuing the pre-determination. The proposed services will be reviewed and a pre-determination will be issued to the Member or dentist, specifying coverage. The pre-determination is not a guarantee of coverage and is considered valid for 180 days.
- **ALTERNATE BENEFIT:** If: 1) Plan determines that a less expensive alternate procedure, service, or course of treatment can be performed in place of the proposed treatment to correct a dental condition; and 2) the alternate treatment will produce a professionally satisfactory result; then the maximum the Plan will allow will be the charge for the less expensive treatment.
- **COORDINATION OF BENEFITS:** All Benefits covered under this Contract are subject to coordination.

The following definitions apply only to this Coordination of Benefits section:

- A. Plan** shall mean coverage providing hospital, medical or dental benefits or services by: i) group or blanket insurance coverage except school accident coverage; ii) group Blue Cross and Blue Shield, group practice or other pre-payment coverage on a group basis; or iii) labor-management trustee plans, union welfare plans, employer organization plans or employee benefit plans. Plan will be construed separately for a policy, contract, or other arrangement for benefits or services that reserves the right to take the benefits or services of their Plans into consideration in determining its benefits, or separately for that portion which does not reserve the right.
- B. Eligible Expenses** shall mean any necessary, reasonable and customary item of expense all or part of which is covered under one of the Plans. When a Plan provides benefits in the form of services rather than cash payments, the reasonable cash value of each service rendered will be considered to be both an Eligible Expense and a benefit paid.
- C. Claim Period** shall mean a Calendar Year or portion of a Calendar Year for a claim on a Member covered under this Plan.

If Member is also covered under one or more other Plans, the Benefits under this Plan will be coordinated with benefits payable under all other Plans. The coordination will apply in determining the benefits payable for any Claim Period if the sum of: i) the benefits that would be payable under this Plan in absence of the coordination; and ii) the benefits that would be payable under all other Plans without provisions for coordination in those Plans, would exceed such benefits.

Except as provided in the following paragraph, when Coordination of Benefits applied to the benefits payable for any Claim Period, the benefits that would be payable for Eligible Expenses under this Plan in the absence of Coordination of Benefits will be reduced to the extent necessary so that the sum of those reduced benefits and all the benefits payable for those Eligible Expenses under all other Plans will not exceed the total of those Eligible Expenses. Benefits payable under all other Plans include the benefits that would have been payable had a claim been properly made for them.

The rules establishing the order of benefit determination are:

1. The benefits of a plan covering a person for whom claim is made other than as a dependent will be determined before the benefits of a plan covering such person as a dependent.
2. Except as stated in (3) below, when this Plan and another Plan cover the same child as a dependent of different persons, called "parents":
 - a. the benefits of the Plan of the parent whose birthday falls earlier in a year are determined before those of the Plan of the parent whose birthday falls later in that year; but
 - b. if both parents have the same birthday, the benefits of the Plan covering the parent longer are determined before benefits of the Plan covering the other parent for the shorter period of time. However, if the other Plan does not have the rule described in a. above, but instead uses a different method, and if, as a result, the Plans do not agree on the order of benefits, the rule in the other Plan will determine the order of benefits.
3. If two or more Plans cover a person as a dependent child of divorced or separated parents, benefits for such child are determined in this order:
 - a. first, the Plan of the parent with custody of the child;
 - b. then, the Plan of the spouse of the parent with custody of the child; and
 - c. finally, the Plan of the parent not having custody of the child.

However, if the specific terms of a court decree state that one of the parents is responsible for the health care expenses of the child, and the entity obligated to pay or provide the benefits of the Plan of such parent has actual knowledge of those terms, the benefits of that Plan are determined first. This does not apply with respect to any Claim Period or Plan Year during which any benefits are actually paid or provided before the entity has that actual knowledge.

4. The benefits of a Plan covering a person as an employee who is neither laid-off nor retired (or as that employee's dependent) are determined before those of a Plan which covers that person as a laid-off or retired employee (or as the employee's dependent). If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule 4. is ignored.
5. If none of the above rules determines the order of benefits, the benefits of a Plan which has covered the person for whom claim is made for the longer period of time will be determined before the benefits of a Plan covering the person the shorter period of time.

If this Plan is responsible for secondary coverage for Eligible Expenses, this Plan will not deny coverage or payment of the amount it owes as secondary payer solely on the basis of the failure of another group contract, which is responsible as the primary payer, to pay for such Eligible Expenses. This Plan will not be required to pay the obligations of the primary payer.

For the purposes of administering the above provisions of this Contract or any similar provisions of other Plans, this Plan may, without consent or notice to any person, release to or obtain from any other insurance company, organizations or person, any information concerning any individual which is considered necessary. Any person claiming Benefit will furnish the Plan with any information necessary.

Whenever payments which should have been made under this Contract in accordance with the above provisions have been made under any other Plans, this Plan has the right, at its sole discretion, to pay any organizations making these payments any amount this Plan determines to be due. Amounts paid in this manner will be considered to be Benefits paid under this Contract and, to the extent of these payments, Plan will be fully discharged from liability under this Contract.

Whenever payments have been made by this Plan, for Eligible Expenses in a total amount in excess of the maximum amount of payment necessary to satisfy the intent of the above provisions, this Plan will have the right to recover the excess from one or more of the following: (i) other insurance companies; (ii) other organizations; or (iii) persons to or for whom payments were made.

PART VI. DENTAL RECORDS

The dental records of all Members concerning services performed hereunder shall remain the property of the treating dentist. Information related to the number, cost, and delivery of services provided under the Plan to Members may be made available to the Plan by dentists for purposes of review, investigation, or evaluation of care.

PART VII. CHANGE IN SERVICE

Plan reserves the right to change the Premiums or Benefits after completion of the term of the Contract. No change will be made without giving the Group forty-five (45) days prior written notice.

PART VIII. CONVERSION OF COVERAGE

Plan coverage will terminate for Group Subscribers and their Dependents when Subscriber is no longer associated with the Group. Thereafter, Subscriber may convert by enrolling in the Plan on an individual basis (Subject to Part III-A and B only). In such case, payment shall be on either a monthly or annual basis.

PART IX. CLAIMS

- **PAYMENT OF CLAIMS:** If Plan provides coverage of a Member as a Dependent of a parent who has legal responsibility for the Dependent's dental care, and such parent does not have custody of the Dependent, the Plan may, upon request of the custodial parent, make the payments directly to the treating dentist. Any payments so made will release Plan from all further liability to the Member to the extent of the payments made. Benefits for other losses are paid to the Member. However, the Plan has the right to pay all or part of the benefits due to the treating dentist. This is true whether or not the Member is alive. If the Member has died and the Plan does not pay accrued benefits to the treating dentist, benefits will be paid to the Member's estate.
- **CLAIM FORMS/NOTICE OF CLAIM:** If Plan receives a notice of claim, it will provide claim forms for filing proof of loss. If such forms are not sent within 15 days after notice of claim is received, the claimant will be deemed to have complied with the requirements of this Contract as to proof of loss. Instructions for submitting notice of claim to Plan can be found on the Membership Identification Card.
- **PROOF OF LOSS:** Plan must receive written proof of loss within 180 days of treatment. Failure to provide proof of loss within the time required does not invalidate or reduce a claim if it was not reasonably possible to submit the proof within the required time, if the proof is furnished as soon as reasonably possible and, except in the absence of legal capacity of the claimant, not later than one year from the time proof is otherwise required. Instructions for submitting proof of loss to Plan can be found on the Membership Identification Card.
- **TIME OF PAYMENT OF CLAIM:** Benefits payable under this Contract for any loss will be paid immediately or within the time required by state regulations. If Plan fails to pay claim within the time required by state regulations, it will pay interest from the date on which payment is required to the date the claim is paid.
- **INCONTESTABILITY CLAUSE:** In the absence of fraud, all statements made by a Subscriber shall be considered representations and not warranties and no statement shall be the basis for voiding coverage or denying a claim after the Contract has been in force for two years from its effective date, unless the statement was material to the risk and was contained in a written application.
- **LEGAL ACTIONS:** No action at law or in equity shall be brought to recover on this Contract prior to the expiration of 60 days after written proof of loss has been furnished in accordance with this Contract. No such action will be brought after the expiration of three years after written proof of loss is required to be furnished.

PART X. APPEALS AND GRIEVANCES

Members may participate in BCBSAZ's appeal and grievance processes, which are described in detail in the BCBSAZ Appeal and Grievance Guidelines, a separate document provided to you. PART XI. ENTIRE CONTRACT

The Group Dental Service Contract, executed on behalf of Subscribers, and this Certificate of Coverage (including any attachments thereto) constitute the entire Contract between the parties. No portion of the charter, bylaws, or other corporate documents of BCBSAZ will constitute part of the Contract. No change in this Contract shall be valid until approved by an executive officer of the Plan and unless such approval is endorsed hereon or attached hereto. No agent has authority to change this Contract or to waive any of its provisions.
